

Protect Yourself from Money Mule Scams

People who move money for fraudsters are called “money mules.”

BEWARE if people you’ve met over the phone or online ask you to accept money from strangers and send it to someone else.

They could be recruiting you to help fund illegal activities.

A MONEY MULE FRAUDSTER MAY ASK YOU TO:

- Move money
- Open a bank or cryptocurrency account
- Receive packages

YOU CAN PROTECT YOURSELF AND YOUR COMMUNITY!

- If someone asks you to send and receive money or other things of value, stop communicating with that person.
- Question new long-distance relationships.
- Report money mule activity and scams as soon as possible.
- Learn about scams and money mule activity.
